In black or white, 11.95 mm thick and weighing 0.4 kg, the **IdeaPad Tablet A1** has a 7-inch 1024 X 600 LED screen. It is pre-loaded with Documents to Go, Adobe, eBuddy, Kindle, mSpot and others. It has front (0.3M) and back (3.0M) webcams, and a unique offline GPS navigation technology. The internal roll-cage is made from magnesium alloy to protect the hard drive and other system components.

The 0.75 kg **ThinkPad Tablet** has a 10.1-inch WXGA (1280x800) IPS display with a 178-degree viewing angle and scratch-resistant Corning Gorilla Glass. It comes preloaded with Documents to Go by DataViz for viewing and editing Microsoft Office documents. It also comes with 2 GB of free cloud storage, a mini-HDMI port, a USB port and SD Card Reader, and Lenovo's unique file copy utility and SocialTouch app with social networks, email, and calendar notices all in one interface. To write on the screen, users can get the optional digitizer pen. For security there is an anti-theft software that disables the tablet if lost or stolen; and virtual application support with Citrix, LanDesk and secure email support from Good Technology.

In either Graphite Grey or Clementine Orange, the **IdeaPad U300s Ultrabook** has a 2nd generation Intel Core i7 processor with Intel Turbo Boost Technology 2.0. It can boot up in 10 seconds with Enhanced Experience 2.0 RapidDrive SSD technology.

The 13.3-inch 16:9 widescreen HD display is ultra-slim. Storage is 4 GB DDR3 memory and 256 GB SSD storage. The Breathable Keyboard uses an Intel Advanced Cooling Technology to allow air to flow in through the keyboard and out of the sides and rear hinge.

The Lenovo Long Life Battery can last eight hours or 30 days on standby, and can be charged to 50% capacity in 30 minutes. Other features include Bluetooth, high-speed 802.11n Wi-Fi, USB 2.0 and USB 3.0 connectors, and a 1.3M (720p HD) webcam.

IdeaPad U300e Ultrabook has a 2nd generation Intel Core i5 processor with Intel Turbo Boost Technology 2.0. It is 18 mm thin and weighs 1.58 kg. Storage capacity is 64 GB SSD and 1 TB HDD storage.

In Heatwave Red or Midnight Black in gloss or soft finish, the **ThinkPad Edge E120** has ThinkVantage Rescue and Recovery to restore system settings, and easy password management with Password Manager, Active Protection System. The keyboard is spill-resistant and has multitouch touchpad for one- or two-finger zooming, rotating, and scrolling.
